## Experience

### Production Artist | FX Networks

October 2022 - Present

Assisted art directors and designers in the motion design production pipeline by applying design changes and versioning to a variety of ongoing TV shows and projects both on currently on air, and future productions.

### Motion Graphics Intern | HEXBUG

January 2022 - March 2022

Worked as a part of the HEXBUG video team producing motion content for YouTube and television. Conceptualized and created adverts for world-wide robotics events and built on motion design flair to many collaborative toy advertising projects.

### Multimedia Design Specialist | AVIAN

April 2021 - July 2022

Combined video and audio elements alongside animation assets to assist in the branding of companies through government contracts. Planned and developed visual information products for external and internal communication initiatives. Used knowledge of audiovisual media techniques to create a range of products in response to specific command communication requirements.

### Graphic Designer | AED Aero, Inc.

June 2018 - May 2021

Conceptualized and designed advertisements and branding for a government contracted company involved in global aviation and GIS mapping. Managing general graphic design and digital marketing materials.
